9. (Confidential - JGO) Talked to Mr. Emmanuel Perch, Office of Legislative Relief, Department of Army. Mr. Perch is the action officer of H. R. 6343, a bill for the relief of Captain Charles A. Aycock, introduced in the House by Representative Henderson (D., N. Car.) on 17 March 1971. Mr. Perch told me the bill has just been received and no action taken as yet but that he will call if any assistance or coordination is required in preparing the Department of Army report. He expressed his appreciation for the call and the Agency's offer of assistance and said he would keep me advised on the progress of the bill. See Journal items of 19 March and 16 April.

25X1 [redacted] Talked to Mr. Pat Holt, Senate Foreign Relations Committee staff, who said they would like to schedule the Director to appear before Senator Frank Church's Subcommittee on Western Hemisphere Affairs to discuss U.S. policies and programs [redacted] on Tuesday or Wednesday, 25X1A 4 or 5 May. Holt said that they would particularly like to make sure that Dave Phillips is "in the vicinity." He said he considered Phillips the outstanding U.S. expert [redacted] and even if he didn't actually testify the Subcommittee would like to have him available so the Director could refer questions to him if he so desired. I told Holt we wanted to be helpful but this was something we just couldn't do. As an alternative, I suggested he provide us with questions before the hearing on which we would be sure to get the benefit of any input Phillips could provide before appearing. Holt said he thought this might work if we would be sure our answers to these questions were in no way coordinated with State or Defense. I said he could be sure our answers would be our own. He said he would try to get the Committee's approval in arranging this but could not make any commitment 25X1 in advance.

4. (Confidential - JMM) Met with Representative Charles Bennett (D., Fla.) in response to his letter to the Director recommending forceful public denials that the Agency was not in any way implicated in assassination activity. Later, I discussed the same problem with Russ Blandford. See Memo for Record for details.
